<input type="checkbox"/> Digital Picture Disc Tiff File Format	Resolution 3000 dpi	2 x 2 inch 35mm Slide or Negative	Enter number of 35mm Slides or Negatives to scan below	Subtotal Amount
			\$1.00 per scan <input type="text"/>	<input type="text"/>

All 35mm slides and negatives are scanned by hand individually at 3000 dpi utilizing our Nikon Super CoolScan Film Scanner. All films are color corrected, adjusted for proper brightness & contrast, and run through our Digital Ice 4 software technologies to remove any dust, dirt and scratches from the image. For older film that has lost its color and has faded to a reddish or bluish film base we run the film image through our (ROC) restoration of color software to bring back their natural colors.
